## EXPERIENCE TONS OF TENNIS FUN!

**Featuring clinics for all levels; games, practice tournaments, conditioning and more!**

Celebrating over 20 years of instruction for **BEGINNING, INTERMEDIATE,** and **ADVANCED** players. Perfect for High School Players!

Safe and caring environment providing a balance of instruction and fun for a great camp experience! Robert has designed a system that teaches beginners the fundamentals, and follows each child's progress, until he or she is ready for match play. This system is designed to prepare your child to perform in match situations and to enjoy the game for a lifetime.

We teach using a combination of drills and games, along with practice matches to help each player prepare for tournament play. Fitness is also emphasized with jumping rope, climbing stairs, and incline sprints are employed to strengthen and condition.
